Hello Theresa,

Hi! My school is in the city centre.

We have lessons from 8.30 until 4.30 except Wednesday afternoons.

On Saturdays we have lessons from 8.30 until 12.

My favourite lessons are Science and Sport. We have very good laboratories and I enjoy those lessons.

I also like sport – we play basketball, football, hockey and tennis. There's a really good swimming pool too.

I don't like Geography, it's really difficult. I often go to the computer room after school and do my homework. I've got a lot of good friends here.
